Gourmet Jams

A special flavouring for your recipes.

Pepper Gourmet Jam. Made with Dedo de Moça pepper, softer than Chilli Pepper and slightly spicier than Jalapeño. A unique formula, using concentrated apple juice, providing to the product a sweet and delicate scent. Becoming also an exotic and differentiated flavour. Ideal for the preparation of Gourmet dishes.

Mint Gourmet Jam. Traditional jam to pair with strong tasting meats like lamb and mutton, with sweet tones. Invent, imagine, create and compose with this unique gourmet flavour, with a refreshing and vibrant colour. **Pepper, Tomato and Lemon Gourmet Jam.** Strong tasting jam, exclusive and unforgettable, combining the mediterranean tomato flavour with sandwiches (specially hamburguers), giving a special touch to your personal recipes.

Marvelous Creams

Hazelnut Cream

Our gourmet Hazelnut Cream is made with selected ingredients and a harmonious combination of cocoa and hazelnuts, providing a smooth texture and intense flavor. It's perfect for accompanying bread, fruits, or even enjoyed on its own.

Pistachio Cream

The Pistachio Cream stands out for its authentic and balanced flavor, with fresh pistachios and a touch of natural sweetness. Ideal for adding a sophisticated touch to desserts or special dishes. Try our new releases and discover the true taste of gourmet!

Pistachio Cream

Hazelnut Cream

Pistachio Cream

Noble product, with a unique nutty flavor, made using pistachios imported from Italy, a delicacy that has gained everyone's favor. Its creamy and velvety consistency inspires creativity for recipes or simply to be enjoyed one spoon at a time.

Creme de Pistache

Hazelnut Cream

Hazelnut Cream, This product is already well-established among consumers. However, at Homemade, we aimed for something different and playful to enhance its flavor. We incorporated pieces of hazelnuts, also imported from Italy, to add a crunchy texture to the cream, bringing a new experience, a characteristic “crunchy taste”.

Homemade Covers

Flavour and tradition in a new packaging

Our **Chocolate, Strawberry and Caramel**, **HOMEMADE covers** provide an irresistible touch of colour and taste to your desserts.

Their modern packages, anatomical and with totally insulating caps, guarantee their quality preservation, on top of making its use easy and enjoyable.

Homemade Cane Molasses

The sweet taste of Brasil

The **Homemade cane molasses** is a product made out of sugar cane, **part of Brazil's history and heritage**. Can be consumed pure, with fruits, milk or cereals. Because it is a natural sweetener, it can substitute sugar and honey when preparing sweets, cakes, breads, desserts and beverages, and also season meats, and baked and grilled meals.

Has a consistency similar to that of Honey and is rich in nutrients which are essential to the wellbeing, like Calcium, Iron and Potassium, being excellent to fight anemias caused by the lack of iron. With a light bittersweet taste, brings that special touch to your dishes.

Recreio Corn Syrup

A combination of flavors!

Ideal to use on **pancakes, fruits, yoghurt and cereals.**

Perfect to start your day **full of energy!**
