

# Café La Isla

**NEAR Brasil**  
import & export

Marca registrada Near Brasil <sup>®</sup>

**La Isla Coffee is produced in the Brazilian Highlands, which are globally recognized for their high quality standards. La Isla is a coffee with a memorable flavor and a Strong Aroma; each bean carries the silence of the mountains, the peacefulness of the birds, and the care of families who develop the crop with total passion! It is a unique experience from the very first cup!**
